

My name is Jane Havelka I am a Wiradjuri woman from the Narromine, Dubbo region.

I am the Clinical Coordinator for the Bachelor of Health Science (Mental Health) degree in the School of Nursing, Midwifery & Indigenous Health. I have worked in Dubbo, Forbes and Wagga Wagga in the health sector for over thirty years and provide Aboriginal and Torres Strait Islander Mental Health First Aid Training to students at Charles Sturt University as well as community organisations.

I have been an active member of IAHA since 2010 and strongly feel that IAHA provides me with great opportunities to extend myself both professionally and personally. I believe in the vision of IAHA and want to be part of an organisation that is really making a difference to our people and communities.

I have served as a director for the last three (3) years with IAHA, and would like to opportunity to again represent my fellow IAHA members for a further two years. I look forward to the opportunity to be able to talk to my application at the upcoming elections.

Kind Regards, Jane Havelka
