NOTES:

1. The address which the director must give the Company must be their usual residential address unless they are entitled to have an alternative address substituted for their usual residential address because:

(a) their name, but not their usual residential address, is on an electoral roll under the Commonwealth Electoral Act 1918 because of section 104 of that Act; or

(b) their name is not on an electoral roll under the Commonwealth Electoral Act 1918 and ASIC determines, in writing, that including their residential address in the notice would put at risk their personal safety or the personal safety of the members of their family.

2. An alternative address must be in Australia and be one at which documents can be served on the person. At any particular time, a person is entitled to have only one alternative address.
